## Property Maintenance Still Important During Droughts

The Code Enforcement Division in Monterey Park has noticed a substantial increase in property owners neglecting the appearance of their properties. Most notably is the increase of yellow lawns. Yellow lawns are only days away from dry and dead grass. There is also an increase of the lack of ground cover and additional bare dirt areas in front yards. In the month of July 2014, the Code Enforcement Division issued 114 Notices of Violation to property owners, mostly for property maintenance issues involving yellow, dry, dead and bare dirt lawns. During the same month, 51 Administrative Citations were issued, the majority of which were private property landscape violations. These figures do not reflect the number of personal contacts made by Code Enforcement Officers verbally advising property owners to improve

their property's appearance.

The aim of Code Enforcement is not to issue Notices or Citations. The goal is to achieve voluntary compliance with the City's Property Maintenance Code, MPMC 9.54.030, and maintain property values in the City. Attractive neighborhoods express a positive attribute of a City's Health. Yellow, dead lawns express a lack of pride of ownership and lead to blighted conditions.

The good news is that there are alternatives that the City recommends during the present drought condition to help ease the alleged burden of maintaining a healthy green lawn. Residents might consider the following:

- Drought resistant and/or native plants and drip irrigation

- Artificial grass
- Redesigning the front lawn to reflect a new appreciation for drought resistant and/or native plants that will assist in the reduction of water consumption, especially during the Summer months
- Change the type or amount of ground cover to include vines, shrubs or trees to improve the curb appeal for the home.

The City's Planning Division has a list of approved drought resistant and native plant materials that can replace your front lawn. The Planning Division can also assist with identification of alternate plant material and design. Artificial grass requires Planning approval, with the submittal of a site plan, a sample of the artificial grass and professional installation. The internet is a good source of information regarding native and drought-tolerant specimens.

The Code Enforcement Division understands the difficult position the drought has created. However, property maintenance standards will remain intact and enforced in order to preserve the property values and attractive neighborhoods in the City of Monterey Park.

## Paramedic Ambulance Membership Covers Families and Businesses

reasonable cost of \$50 per year.

The average cost of an ambulance bill is \$1,650. The cost can be higher based on the medication, tools, and equipment used. A non-transport or patient assessment call, is not covered by some health insurance plans and costs an average of \$254 and higher.

The Fire Department's Paramedic Ambulance Membership Program runs from October 1st to September 30th and covers you and your family members who regularly live in your home. You can sign up for membership and pay on an annual basis or you can choose to make installment payments of \$8.33 every two months when placed on your City of Monterey Park Water/Trash bill.

To become a member, obtain an application from the City of Monterey Park's Website at <http://www.montereypark.ca.gov>. Then go to the Fire Department, Emergency Medical Services Division, Paramedic Ambulance Membership Program page. Or simply call 626-307-1262 and request an application to be mailed to you.

Monterey Park businesses can also sign up for this service to cover the employer and employees. For Monterey Park businesses located in-town, the cost is \$50 per 10 employees with the maximum rate set at \$750 per year for 141 employees or more. The Business Paramedic Ambulance Membership program year operates July 1 through June 30 and covers all employees for emergency calls during the business' normal operating hours.

## September 11 Patriot Day

The public is invited to attend a Patriot Day remembrance ceremony on Thursday, September 11 on the city hall front lawn. Monterey Park's event, to coincide with the U.S. Patriot Day and National Day of Service and Remembrance, will take

place at 8:30 a.m. and feature a moment of silence as well as placement of a wreath by members of the police and fire departments. The Mayor and City Council invite members of the community to join in the ceremony.

# Monterey Park Police Department Youth Activities Golf Tournament 2014

Sergeant John Martindale

The Monterey Park Police Department is looking for you...to go golfing, that is. On September 25th 2014, the Police Department will once again join forces with the community as they present their 15th annual Youth Activities Golf Tournament. The yearly event draws in golfers from across the southland to converge on the San Dimas Canyon Golf Course and raise much needed funds, which are used to support community programs such as In-School Scouting, Stranger Danger, and Police Department Explorer Post programs.

Thanks to the money raised by the golf tournament, and programs like it, the Police Explorers are able to cover administrative costs, conduct training, work community events, purchase equipment, and compete in “Explorer Games” which match Explorer posts from across the state in contests involving various areas of police procedure. One such contest was the recently held San Gabriel Valley Explorer X-Games, which was held in Arcadia on August 16th of this year. Through their hard work and dedication to training, The Monterey Park Police Department Explorers were able to proudly represent the city. Congratulations on a job well done!

Whether you are a regular on your local course or even if you haven’t swung a club in a while, the police department invites you to join law enforcement officers from across the county, business sponsors and corporate representatives, as well as residents from Monterey Park and surrounding communities in taking on the rugged, beautiful links out at San Dimas Canyon Golf Course. Golfers will not only compete for the best score, but they will also have the opportunity to take the prize in a number of endeavors such as the putting contest, “hole-in-one,” “Longest Drive” and “Closest-to-the-Pin” contests. Many prizes will be raffled off as well at the included Awards and Prize Banquet at the end of the day. Included in the entry fee is the round of golf, cart rental, goodie bag, embroidered polo shirt, lunch, awards banquet and dinner.

So dust off those clubs, find your best pair of plaid pants, and join the Monterey Park Police Department out on the course to support a great cause. The day kicks off at 8:30 a.m. with check in and golfing starts at 10:30. For information on signing up for the tournament, contact the Monterey Park Police Community Relations Bureau at 626-307-1215 or see the sign-up form on the Police Department Community Relations page of the city website at [montereypark.ca.gov](http://montereypark.ca.gov).

# \$300,000 GOAL MET!

The Alhambra Educational Foundation Donates \$300,000 to Alhambra Unified School District to Fund "Music & More" for all K-12 Students This Fall

Thanks to the generosity of local parents, businesses and community members, the Alhambra Educational Foundation (AEF) has met its goal of raising \$300,000 to fund vital new educational and enrichment programs at all 17 Alhambra Unified School District (AUSD) schools this Fall. Their successful "Music & More" campaign will provide a variety of instructional and enrichment programs, including a new instructional music program for all Kindergarten – third grade students, two additional high school college/career counselors, plus support funding for the popular 4th-8th grade band and orchestra programs.

AEF will present the funds to the District at the August 26 meeting of the AUSD Board of Education.

AEF was able to meet its goal with the help of generous donations from parents, community members and local businesses, including a \$10,000 gift from the Hilton Los Angeles/San Gabriel, and support from The Ratkovich Company/The Alhambra, The Nazerian Group, ML Architecture, the Pasadena Tournament of Roses® Foundation, the Pasadena Showcase House for the Arts, and hundreds of parents, community members and local businesses.

AEF's Music & More campaign will provide vital educational and enrichment programs that benefit all K-12 students at all schools, including:

- A new, in-class Instructional Music curriculum for all Kindergarten, 1st, 2nd and 3rd grade students attending

AUSD's 13 elementary schools.

- Two additional College & Career Counselors who will be available to help AUSD high school students with all aspects of college counseling, including research, the application process and acceptance. These new part-time Counselors will also focus on coordinating and implementing AEF's new...
- College Field Trip Adventures program, which will offer students the opportunity to visit many of our local colleges and universities, including local UCLA, Cal State campuses, and other public and private colleges.
- Support funding for AUSD's popular 4th – 8th grade band and orchestra program.

"We're thrilled and proud that our community came together to support the Foundation and our wonderful Alhambra Unified public schools," stated AEF President Steve Perry. "Reaching our \$300,000 goal was possible because of the generosity of our entire community. Special thanks go to the Hilton Los Angeles/San Gabriel and to all our Service to Education Gala and Taste of Alhambra sponsors and attendees."

AEF's 'thermometer' signs in Alhambra (on Marengo Ave near Mission Road) and Monterey Park (on Garvey Ave in front of Ynez Elementary) has been 'raised' to the \$300,000 mark to note the campaign's successful completion.

In addition, to show appreciation to the community and their donors, AEF volunteers will erect colorful "We Support AEF – Thank You!" yard signs in the front yards of 2013-14 donors in mid-September. After two weeks, the signs will be removed by volunteers to be recycled for next year's "Thank You" program. All 2013-14 donors will be included on AEF's full page "Thank You" ads to appear in local newspapers in September. Your tax-deductible donation to AEF can be made on the AEF website at [www.aef4kids.com](http://www.aef4kids.com), by calling AEF at (626) 943-3080, or by mailing your donation to P.O. Box 1188, Alhambra, CA 91802. All donations — large or small — are gratefully appreciated.

"The Alhambra Unified School District is grateful to AEF and its donors for providing these essential educational programs to the students of our District," stated Laura Tellez-Gagliano, AUSD Superintendent. "We are very excited about the new K-3 music instructional program, and all the wonderful programs in the Music & More initiative that will benefit our students greatly. These programs would not be possible without AEF, its dedicated volunteers, and generous donors."

The Alhambra Educational Foundation, a 501(c)(3) non-profit organization, is the official fundraising partner of AUSD. Since its inception in 1993, AEF has donated more than \$1.5 million to the District to provide funding for a variety of educational programs, curriculum and equipment that benefits all students and schools. All proceeds from AEF's fundraising efforts, including the annual Service to Education gala dinner, AEF's annual appeal, and the Taste of Alhambra community event, benefit all the schools and students of AUSD. For more information or to make a tax-deductible donation to AEF, please go to [www.aef4kids.com](http://www.aef4kids.com) and follow AEF on Facebook.

## The Alhambra Educational Foundation Prepares to Thank their 2013-14 Donors with Colorful Yard Signs in September

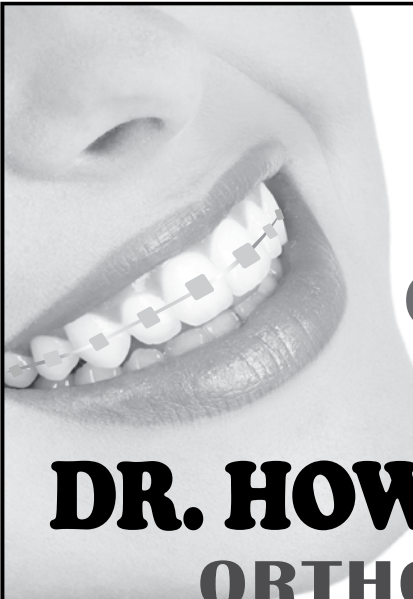

The Alhambra Educational Foundation's (AEF) Board of Directors and volunteers are getting ready to fan out across Alhambra, Monterey Park, Rosemead and San Gabriel this September to thank their generous donors for helping AEF meet its ambitious fundraising goal for the "Music & More" campaign.

AEF will thank and acknowledge each and every family/donor that made a tax-deductible donation to the Foundation between August 1, 2013 and July 31, 2014 by placing a colorful "We Support AEF – Thank You" sign in the front yard of their residence in mid-September. The yard signs will remain up for two weeks, and then be collected by AEF volunteers at the end of the month. In addition, AEF will thank all donors by name in a full-page ad in local newspapers in September.

"This year, we will be putting up hundreds of yard signs across our communities to thank our donors for their generosity with our "Music & More" campaign," stated AEF President Steve Perry." Donations to AEF can be made on their website at [www.aef4kids.com](http://www.aef4kids.com), or by mail to P.O. Box 1188, Alhambra, CA 91802.

# AHS pitcher Marco Briones to attend Utah Valley

Marco Briones signs his national letter of intent to play baseball for Utah Valley University with his parents Veronica and Marco Sr. by his side and AHS Principal Duane Russell (left) and Varsity Baseball Coach Steve Gewecke (right) behind him.

Baseball standout Marco Briones, who graduated from Alhambra High School in May, matriculated to Utah Valley University on August 25. Marco was a three-year baseball letterman for AHS and is the high school’s career leader in wins. Utah Valley offered him a sizeable scholarship.

“I chose Utah Valley because of the comfort level I received from the people in the community and the coaching staff,” Marco said. “The up-to-date technology at the school caught my attention too. And of course, the baseball facility was a nice fit. I saw myself comfortable going to school and playing ball there,” he said.

Marco was one of AHS’s captains and led by example on and off the field, said Varsity Baseball Coach Steve Gewecke.

“Marco goes down as one of the best pitchers ever in the history of Alhambra High School and was a two-time All CIF first teamer, three-time first team All Star News SGV, including player of the year, and two-time Almont League pitcher of the year and was the MVP of the Almont League this season,” Mr. Gewecke said.

Marco plans to major in Business and Finance and looks forward to continuing his baseball career in college. “There are always mental and physical obstacles that have to be conquered to win ballgames. Being good at overcoming these challenges gives you a little more attention or that competitive edge that people look for, and I like to compete,” he said.

Congratulations Marco!

# My week at Tech Trek science and math camp

By Leilani Young, 8th grader, Repetto Elementary School

Repetto Eighth Grader Leilani Young (center) gives a presentation on Port Holly, an oil rig, as part of her Tech Trek camp activities. Leilani rode a boat and toured the oil rig.

I was chosen by the American Association of University Women (AAUW) to attend a week-long science and math camp for girls held at the University of California, Santa Barbara. My week at Tech Trek was amazing. I have to admit that my first day I was really homesick, but then my dorm mates, as well as my dorm mom comforted me and helped me get over it. The core class I took was about Physics. Physics is where scientists make scale drawings and build new structures. My Physics teacher’s name was Beverly Hill (or as she said 90210). She turned a boring classroom into the best class ever. I learned so many new science terms at Tech Trek.

One that I learned was, "Trust the Truss," meaning when you are building a structure, you need to build triangles so your structure won't collapse. We got to test this theory by building bridges out of spaghetti noodles. We couldn't glue them together. The tricky part was not making it taller than 15 inches, so we had to break the noodles in half. This was hard because we had to be careful not to break the noodles the wrong way. We also built a dome out of newspaper and

masking tape. Our last big project was to build a model of Port Holly, an oil rig. We used materials like straws, coffee stirrs, Popsicle sticks and tape. When it was completed we had to put it in sand, lay weights on top of it and see if it would hold up. Ours held for 30 seconds, which was exciting. Our week was filled with lot of group learning, group projects, as well as some fun activities, such as whale watching, and going to the beach. I met many new friends who I will keep in contact with.

This was my week at UC Santa Barbara for Tech Trek. Thank you to the Monterey Park AAUW for sponsoring me and giving me this opportunity to experience what college life is like, to learn about math and science and the many careers you can have. It was exciting and I am glad you chose me to represent your chapter. Thank You, Leilani Young.

To learn more about Tech Trek, please visit [www.aauw-techtrek.org](http://www.aauw-techtrek.org). Seven girls from the AUSD received full scholarships to attend the camp this summer.

# When Your Breath is Cutting into Your Social Life

By John Chao, DDS and Sarah Kennedy, RDH

Many patients inquire about their foul breath affecting all aspects of their lives: work environment, social interactions, and feeling good about oneself. What is the bad breath coming from and how do you fix it?

A few of the factors that affect your breath are the diet you maintain (the food you ingest), the condition of your teeth (if cavities are present or not), as well as the bacteria in your mouth. A variety of foods can cause different scents, but the factor that plays the largest role is the bacteria in the mouth. Every mouth has bacteria, some of which are good, and some which aren't. Removing the bacteria is essential to keeping good overall health as well as reducing the possibility of halitosis (bad breath).

It is necessary to brush and floss your teeth at least twice a day, but ideally after every meal. When

brushing, it is essential to also brush your tongue. It is also critical to see your dentist and hygienist on a regular basis so they can take x-rays, and measure your gum pockets and determine the extent of the bacteria in your mouth, as well as remove the bacteria from above the gums. Occasionally, it is noted that bacteria may be able to get inside the gums and cause gum infections (gum disease) and tooth loss. This is the leading cause of bad breath, and removal of the bacteria is essential. Generally, when this is noted, a deep cleaning might be recommended to remove the bacteria causing the problems. This can be done with lasers and small cameras that show where the bacteria are. Removing these bacteria also removes the bad breath.

Once it has been determined you have gum disease, it is recommended to have cleanings done every 3 months to maintain the health of the gums. Generally, the gum measurements are made to determine how well the gums are responding to treatment and cleaned, to

ensure the continued improvement of the bacteria removal. It is necessary to always brush and floss as often as possible throughout the day.

# LIFT South Campus for orthopedically impaired students opens

Joshua Yanez (center) greets his teacher Angie Juarez at the newly opened LIFT South Campus while his parents, Dario and Stephanie Yanez, look on.

Joshua Yanez and his mother Stephanie Yanez explore the new laundry and kitchen facilities at LIFT South Campus in which Joshua will learn functional living skills.

The teachers and administrators of LIFT South Campus welcome students and families to their Open House on Aug. 7. Classes started Aug. 13.

Exceptional needs students and their families toured the Learning Independence for Transition (LIFT) South Campus at an open house on Aug. 7, admiring the facilities' modern design and wheelchair accessible features. LIFT South Campus joins LIFT North Campus as an additional Adult Transition Program of the Alhambra Unified School District.

The five-room campus at Moor Field was previously the District's Orientation Center. It now features three large classrooms, spacious kitchen, office, and three restrooms all designed following the American with Disabilities Act (ADA) standards. Planning for the new school began last fall, spearheaded by Pat Mahony, Director of Secondary Special Education, and received the full support of the AUSD Board of Education, Supt. Laura Tellez-Gagliano, Ed.D., and assistant superintendents to be completed in time to open on Aug. 13 this year. The facility is specifically designed to meet the needs of the orthopedically impaired student population. Historically, these students went out of District to other SELPA Adult Transitions Programs.

"We feel good about bringing our students back to the District and meeting their transitional needs in their own community," Ms. Mahony said.

Student Joshua Yanez and his parents Dario and Stephanie Yanez were thrilled with the new campus. "I love it – it's very well thought out," Mrs. Yanez said as her 20- year-old son, who has cerebral palsy and is mentally delayed, explored the kitchen and his classroom. "This program will give him great opportunities in life skills," she said, noting that her son's previous school did not teach skills for his future. LIFT South Campus is closer to their home, too.

LIFT is specifically designed for exceptional needs students, ages 18 to 22, who have earned a high school certificate of completion. The LIFT Program is tailored to teach functional living skills, mobility safety, work experience and community based instruction. The purpose of the program is to provide multiple learning opportunities for adult students to work towards increasing their functional independence levels.

LIFT's three teachers are Alberto Castaneda-Salazar, Monica Flores, and Angie Juarez, and each will have 8-12 students per class. The coordinator is Dr. Eric Medrano. LIFT South Campus is located at 1006 South 8th Street in Alhambra. For more information, please call (626) 943-3420.

## 醫療救護車服務會員涵蓋家庭和商業兩種計劃方案！

您的健康保險是否包括9-1-1緊急救護車運輸呼叫服務或非運輸性患者評估呼叫服務嗎？或許您的健康保險，不能百分之百的包括您所需的這些服務的醫療費用？您可以參加醫療救護車服務會員計劃，每年只需花費\$50元，就可以節省“口袋之外”的額外開銷。

一輛救護車的平均開銷費用為\$1,650。根據使用的療程，器材及設備，所花費的費用可能會更高。非運輸性或患者評估呼叫服務，並不包括在某些健康保險計劃開銷費用之內，它們的平均花費是\$254元或者更高。

消防局的醫療救護車服務會員計劃，從2014年10月1日開始，至2015年9月30日為止，本計劃適用者包括您和您家中的常住家庭成員。您可以報名登記成為會員，支付基本年費，或申請連線加入在您蒙市所在地的水費 / 垃圾費帳單內，以分期付款方式，每兩個月支付會費是\$8.33元。

若要成為會員，可到蒙市市府網站<http://www.montereypark.ca.gov>，然後進入蒙市消防局緊急醫療服務部，醫療救護車服務會員計劃頁面，獲取申請表格。或直接致電(626)307-1262，請求部門職員把申請表格寄往您家中報名登記申請。

蒙特利公園市的商家業主們也可以為雇員和雇主報名登記使用這項服務。店鋪設在蒙市市內的商家業主們，每10名雇員的會員年費花費為\$50元，141名員工或以上，最高年費花費為\$750元。商業醫療救護車服務會員計劃年將從2014年7月1日開始，到明年6月30日為止，會員計劃將包括在正常營業時段內，您所僱用的所有員工使用的緊急呼叫服務。

## 在天旱時期，蒙市物業維護標準仍然需要強制執行

蒙市法規執行部門，已經通知物業業主，有關他們忽視維護物業景觀情況，有上升趨勢。最顯著的地方就是黃色草坪數量增加。黃色草坪距離乾枯和草地枯萎，只有數天之差而已。同時，還有前院缺乏植被植物覆蓋，以及太多光禿草坪現象不斷上升。在2014年7月期間，針對物業維護問題，包括有發黃的，乾枯，枯萎以及光禿的草坪景觀，蒙市法規執行部門向物業業主，頒布了有關違反法規114條的通知。在同月裡，開出了51

張行政處罰傳票，大多數都是涉及私人物業景觀處罰罰單。這些數據資料，並不包括法規執行部門的執法人員，口頭警告勸說物業業主主動改善美化他們的物業景觀所聯繫的個人數量。

法規執行部門的目的不是頒發通知或傳票，而是從義務上做到遵照市政府的物業維護法規MPMC 9.54.030，維護市內物業價值。有吸引力的鄰里，是展示城市健康的一個正面表達方式。發黃，枯萎的草坪表示業主缺乏歸屬自豪感，並導致頹廢情況出現。

好消息 是在乾旱情況下，市政府提供一些建議選擇，幫助維護健康綠色草坪，減輕不良的負擔。居民們可以考慮下列建議：

1. 種植耐旱和/或天然植物和水滴灌溉植物。
2. 考慮安裝人工草地。
3. 重新設計您的前院草坪，種植可耐旱的新品種欣賞植物和/或自然植物，特別是可協助在夏天期間減少澆水消耗的植物。
4. 改變植被植物的種類或數量，包括藤類植物，灌木或樹，改善美化您家門前的景觀情況。

市政府規劃部門有一系列已通過驗證的耐旱植物和自然植物資源，可以協助您更換前院的草坪。市政府規劃部門也可以協助您並提供可改善替換的植物材料和設計。人工草需要得到規劃部門的認同，並遞交地皮規劃圖計劃，一份人工草樣本和專業安裝操作。互聯網也是獲取規劃部門會考慮和認可使用的耐旱植物標本資源信息的好來源。

法規執行部門了解乾旱天氣所帶來的困難度，但是，為了保護物業價值，使其成為蒙市具有美好吸引力的鄰里，物業維護法規執行準則將依然不受任何變化，原封不動繼續執行美化維護物業景觀。

## La Membresía en el Servicio de Ambulancia Paramédica Cubre a Familias y Negocios

¿Cubre su seguro médico las llamadas al 9-1-1 para transporte de emergencia en ambulancia o llamadas para evaluación del paciente que no requiere transporte? ¿O quizás su seguro médico no cubre sus costos médicos 100% por éstas llamadas? Usted puede ahorrarse éstos gastos “de su bolsillo” si se une al Programa para Miembros del Servicio de Ambulancia Paramédica por el muy razonable costo anual de \$50.

El costo promedio por el servicio de ambulancia es de \$1,650. El costo puede ser más alto basado en los medicamentos, herramientas, y equipo usado. La llamada que no requiere transporte o la evaluación del paciente, no está cubierta por algunos planes de seguro médico y cuesta un promedio de \$254 o más.

El Programa para Miembros del Servicio de Ambulancia Paramédica del Departamento de Bomberos es válido desde el 1ro de Octubre del 2014 hasta el 30 de Septiembre del 2015 y lo cubre a usted y a los miembros de su familia que regularmente viven en su hogar. Usted puede unirse a la membresía y pagar anualmente, o si prefiere puede hacer pagos de \$8.33 cada dos meses al incluirlo en la factura de Agua/Basura de la Ciudad de Monterey Park.

Para hacerse miembro, obtenga una solicitud en la red de la Ciudad de Monterey Park en el <http://www.montereypark.ca.gov>. Después vaya a la página del Departamento de Bomberos, División de Servicios de Emergencia Médica. O simplemente llame al (626) 307-1262 y pida que le envíen una solicitud por correo.

Los comerciantes de Monterey Park también pueden solicitar éste servicio para cubrir al empresario y a los empleados. Para los comerciantes de Monterey Park ubicados en la ciudad, el costo es de \$50 por cada 10 empleados con una tarifa máxima de \$750 al año por 141 o más empleados. El Programa Anual para Miembros del Servicio de Ambulancia Paramédica para comerciantes es efectivo desde el 1ro de Julio del 2014 hasta el 30 de Junio del 2015 y cubre a todos los empleados para llamadas de emergencia durante las horas normales de trabajo.

## Las Normas Para El Mantenimiento de su Propiedad Todavía Deben de ser Cumplidas Durante la Sequía en Monterey Park

La División de Code Enforcement en Monterey Park ha notado un considerable aumento de propietarios que están descuidando la apariencia de sus propiedades. Sumamente notable es el aumento de céspedes amarillos. Los jardines amarillos están a sólo unos días de convertirse en hierba seca y muerta. También muy notable es la falta de plantas que cubran la tierra y muchas áreas que son pura tierra en los jardines del frente. En el mes de Julio del 2014 la División de Code Enforcement emitió 114 avisos de violación a los propietarios, la mayoría de los cuáles son por problemas del mantenimiento de propiedades incluyendo céspedes amarillos, secos y muertos y jardines que son pura tierra. Durante el mismo mes, 51 Citaciones Administrativas fueron dadas, la mayoría de las cuáles fueron por violaciones del mantenimiento de los jardines en propiedades privadas. Estos números no reflejan la cantidad de contactos personales hechos por los oficiales de Code Enforcement, cuando aconsejan verbalmente a los propietarios a mejorar la apariencia de sus propiedades.

El objetivo de Code Enforcement es no tener que dar avisos de violaciones o citaciones. La meta es el conseguir el acatamiento voluntario del Código de la Ciudad relativo al Mantenimiento de la Propiedad, MPMC 9.54.030, y mantener el valor de las propiedades en la Ciudad. Los vecindarios atractivos reflejan una característica positiva de la salud de la Ciudad. Céspedes amarillos o secos expresan la carencia del orgullo de ser propietario y conducen a condiciones decadentes.

Las buenas noticias son que hay alternativas que la ciudad recomienda durante la presente condición de sequía para ayudar a facilitar la responsabilidad de mantener un césped saludable y verde. Los residentes deben de considerar los siguiente:

1. Instalar plantas resistentes a la sequía y/o plantas naturales de la región e irrigación por goteo.
2. Piense sobre la instalación de césped artificial.
3. Vuelva a diseñar su jardín delantero para reflejar una nueva apreciación de las plantas resistentes a la sequía y/o plantas naturales de la región que ayudarán en la reducción del consumo de agua especialmente en los meses de verano.
4. Cambie el tipo o la cantidad de plantas que cubren la tierra e incluya enredaderas, arbustos o árboles para mejorar la apariencia de su hogar.

La División de Planeamiento de la Ciudad tiene una lista de plantas aprobadas que son resistentes a la sequía y plantas naturales que pueden reemplazar el césped del frente de su propiedad. La División de Planeamiento también los puede ayudar a identificar plantas, materiales y diseños alternos. El césped artificial requiere la aprobación de la División de Planeamiento, con la presentación del plan de ubicación, una muestra del césped artificial e instalación profesional. El internet es también una buena fuente de información acerca de especímenes que toleran la sequía.

La División de Code Enforcement entiende la difícil posición que la sequía ha creado. Sin embargo, las normas para el mantenimiento de las propiedades permanecerán intactas y deberán ser cumplidas con el objeto de preservar el valor de las propiedades y los vecindarios atractivos en la ciudad de Monterey Park.

*"Whether, it's buying or selling, John has a way about him that just gets deals done. He has represented our family in multiple multi-million dollar transactions and they have all been flawless. He was able to sell my house in San Marino in the first week it was listed at several hundred thousand over the asking price. His staff was also very prompt at answering all my questions and concerns. You can feel very comfortable when dealing with John Man and his team."*

- Mar Family (Residents of Monterey Park for over 60 years)

*"I was looking for an agent that could meet my high expectations in selling my house. I wanted someone who was on the cutting edge in marketing, experienced with much more challenging sales, able to communicate well, and of course get the highest secured offers. Mr. Man's associate, Mr. Hua, did an outstanding job with the entire process. He organized the timeline of events. He scheduled and followed through with handyman touch ups, numerous inspections, open houses and everything in the sale process. His constant and clarifying communication with me was most helpful. His 24/7 support, guidance and ability to make things work were appreciated. Mr. Hua did all of this with a positive attitude, patience, and a sense of humor. The ending result, sale of my home, was to my satisfaction. I would like to thank Mr. Man for having a team of professionals that made this difficult experience a positive one. From Mr. Hua to Stephanie in the office, the Man team met my high expectations."* - Elaine F.
